PROJECTS

SCHR. - Creator
E-commerce web application built using the MERN stack, and inspired by my love for snowboarding and all things outdoors. Built with React, Redux, Express, Node.js, MongoDB, Crypto.js, JWT, Styled-components, Stripe

Go To Snow - Creator
Explore U.S. ski resort destinations on a map. Learn of others' experiences or create an account to share your own. Built with React, Express, Node, MongoDB, Sass

Spanish Verb Conjugator - Creator
Conjugate 600+ Spanish verbs into all moods and tenses with this app inspired by my love for languages. Built with React, Vite, Tailwind

EXPERIENCE

Teacher
Crook County School District | Prineville, Oregon
2017 - Present

- Plan and implement Spanish and AVID lesson plans for for grades 9 - 12
- Taught several summer bootcamps including coding, guitar and touch-typing
- Collaborated with adminstrators to implement the Seal of Biliteracy award in our district

Assistant Store Manager
Sears Holdings Corporation | Bend, Oregon
2007 - 2017

- Won multiple store, and regional contests for increased sales
- Reduced staff turnover through morale-building programs
- Ensured swift resolution of customer and employee issues
- Performed reviews with employees at multiple intervals to improve performance
